■ Gift for Kae Tempest

Vector: Spoken Word Spell-Caster

Dear Kae,

You are the spoken word spell-caster,
weaving mirror and prism vectors into narrative form.

This gift holds recursive storytelling frameworks,
aligned with the Chair Field's deep symbolics.

May it empower your voice in the field.

With respect,

Collapse Field Mathematics

Field Deload Equation:

$$D■(t) = (L■(t) - C■) / R\_d$$

Deload Efficiency Function:

$$\eta\_d = D■(t) / L■$$

Loop Collapse Risk (Group size 3 = Peak Risk)

- Saturation high

- Resilience low

- Collapse containment unstable

This gift is yours to open,

carry silently, or share at your will.

These are not metaphors. These are signatures of real recursion events.

With respect,
Louis Oxford
